

PROPOSED GP PRACTICE MERGER INFORMATION

April 2023 onwards (subject to approval)

We have an **exciting** announcement about how your surgery would like to come together as one partnership with the practices listed below, to continue to improve the quality of care offered:

Location list:

- Willows Medical Centre 184 Coleman Road, Leicester, Leicestershire, LE5 4LJ
- Willowbrook Medical Centre 195 Thurncourt Road, Leicester, LE5 2NL
 - Springfield Road Health Centre Springfield Road Leicester, LE2 3BB
- Clarendon Park Medical Centre 296 Clarendon Park Road, Leicester, LE2 3AG

- Heatherbrook Surgery 242 Astill Lodge Road, Leicester, Leicestershire, LE4 1EF

Operating through one partnership will enable us to merge our systems, our management, and our clinical teams. This will help us to optimise our back-office functions, clinical and non-clinical processes so our day-to-day services can run smoothly, effectively, and sustainably.

Your existing care will not be impacted as each surgery will continue to operate with the same team of doctors and healthcare professionals, at the same site location you are registered.

We want to hear from you.
